

transposition_cipher.h

```
graph TD; A[transposition_cipher.h] --> B[string]; A --> C[vector]; A --> D[stdexcept];
```

A diagram illustrating the dependencies of the `transposition_cipher.h` header file. At the top, a dark gray box contains the text `transposition_cipher.h`. Three blue arrows point downwards from this box to three separate light gray boxes below it. The boxes are labeled `string`, `vector`, and `stdexcept` from left to right, indicating that the header file includes these standard library components.

string

vector

stdexcept
